## INTRODUCTION

Gamma Fire Fighting LLC is committed to provide its customers with the finest range of automatic fire detection & fire suppression systems. As an affiliate of Gamma Contracting Group which was established in 1988, Gamma Fire Fighting is involved in supply, installation, testing, commissioning & maintenance of wide range of products and systems for projects in contracting field. Gamma Fire Fighting is a member of Gamma Group of companies which include Trading Division, Real Estate & Educational Institutions.

Founded by Mr. Nabil Lahir Hasan in 2007, Gamma Fire Fighting LLC has become one of the leading Fire Protection Engineering and Trading Company in United Arab Emirates. Our success is due largely to the fact that customer satisfaction has remained our top priority over the years. Our team is a fusion of highly creative, qualified and dedicated professionals.

With Gamma being involved in providing other services to the construction of high rise buildings, warehouses and villas, interior fitout services, maintenance & renovation of vessel interiors, structural fabrication and fire fighting services were included with the intention of promoting Gamma as a one-stop shop for supply of varied construction product & services.

## OUR MISSION & OUR VISION

### **MISSION:**

Our mission is to promptly attend to the precise needs of our customers in line with the nature of their business using our internationally certified systems and process.

### **VISION:**

Our vision is to lead as one of the leaders in the UAE Fire Fighting and Fire alarm industry such that others will follow our proven practices and principles.

### **VALUES:**

Our success is built upon a distinct set of values that runs through all our diverse business activities. We will always
