INTRODUCTION

Gamma Fire Fighting LLC is committed to provide its customers with the finest range of automatic fire detection & fire suppression systems. As an affiliate of Gamma Contracting Group which was established in 1988, Gamma Fire Fighting is involved in supply, installation, testing, commissioning & maintenance of wide range of products and systems for projects in contracting field. Gamma Fire Fighting is a member of Gamma Group of companies which include Trading Division, Real Estate & Educational Institutions.

Founded by Mr. Nabil Hasan Lahir in 2007, Gamma Fire Fighting LLC has become one of the leading Fire Protection Engineering and Trading Company in United Arab Emirates. Our success is due largely to the fact that customer satisfaction has remained our top priority over the years. Our team is a fusion of highly creative, qualified and dedicated professionals.

With Gamma being involved in providing other services to the construction of high rise buildings, warehouses and villas, interior fitout services, maintenance & renovation of vessel interiors, structural fabrication and fire fighting services were included with the intention of promoting Gamma as a one-stop shop for supply of varied construction product & services.

OUR MISSION & OUR VISION

MISSION:

Our mission is to promptly attend to the precise needs of our customers in line with the nature of their business using our internationally certified systems and process.

VISION:

Our vision is to lead as one of the leaders in the UAE Fire Fighting and Fire alarm industry such that others will follow our proven practices and principles.

VALUES:

Our success is built upon a distinct set of values that runs through all our diverse business activities. We will always

- ❖ Focus on quality & innovation
- ❖ Be passionate about our customers, employees and the wider communities within which we work
- ❖ Honor our commitments
- ❖ Conduct business in a responsible & sustainable way in line with our principles

GUIDING PRINCIPLES ARE:

- ❖ Leading by example
- ❖ Work as a team, Listen to all
- ❖ Transcend our potential
- ❖ Deliver our promises, aim to excel

QUALITY POLICY

Gamma is committed to the delivery of quality products and services. The objective of our quality policy which forms part of our vision will be: To be the organization of first choice for all stake holders. To be lean and agile in adopting work processes to compete with the world's leading business.

The management of Gamma are committed to ensuring that this policy is implemented safely and in line with current legislation, regulations, codes of practice of Quality Management Systems by all employees within the group.

Continual improvement shall be achieved through the implementation of the Transformation Team, Business Improvement Team, Business Objectives, Audit, Analysis of Data, Corrective and Preventive actions and Management Review.

QUALITY:

Gamma guarantees that the offered services are performed against the highest standards. The quality of our work and our organization is safeguarded by a quality management system.

SERVICES

No matter how big or small, complex or straightforward your installation requirements, here we are ready to meet them. And you can be sure of quality workmanship & commitment.

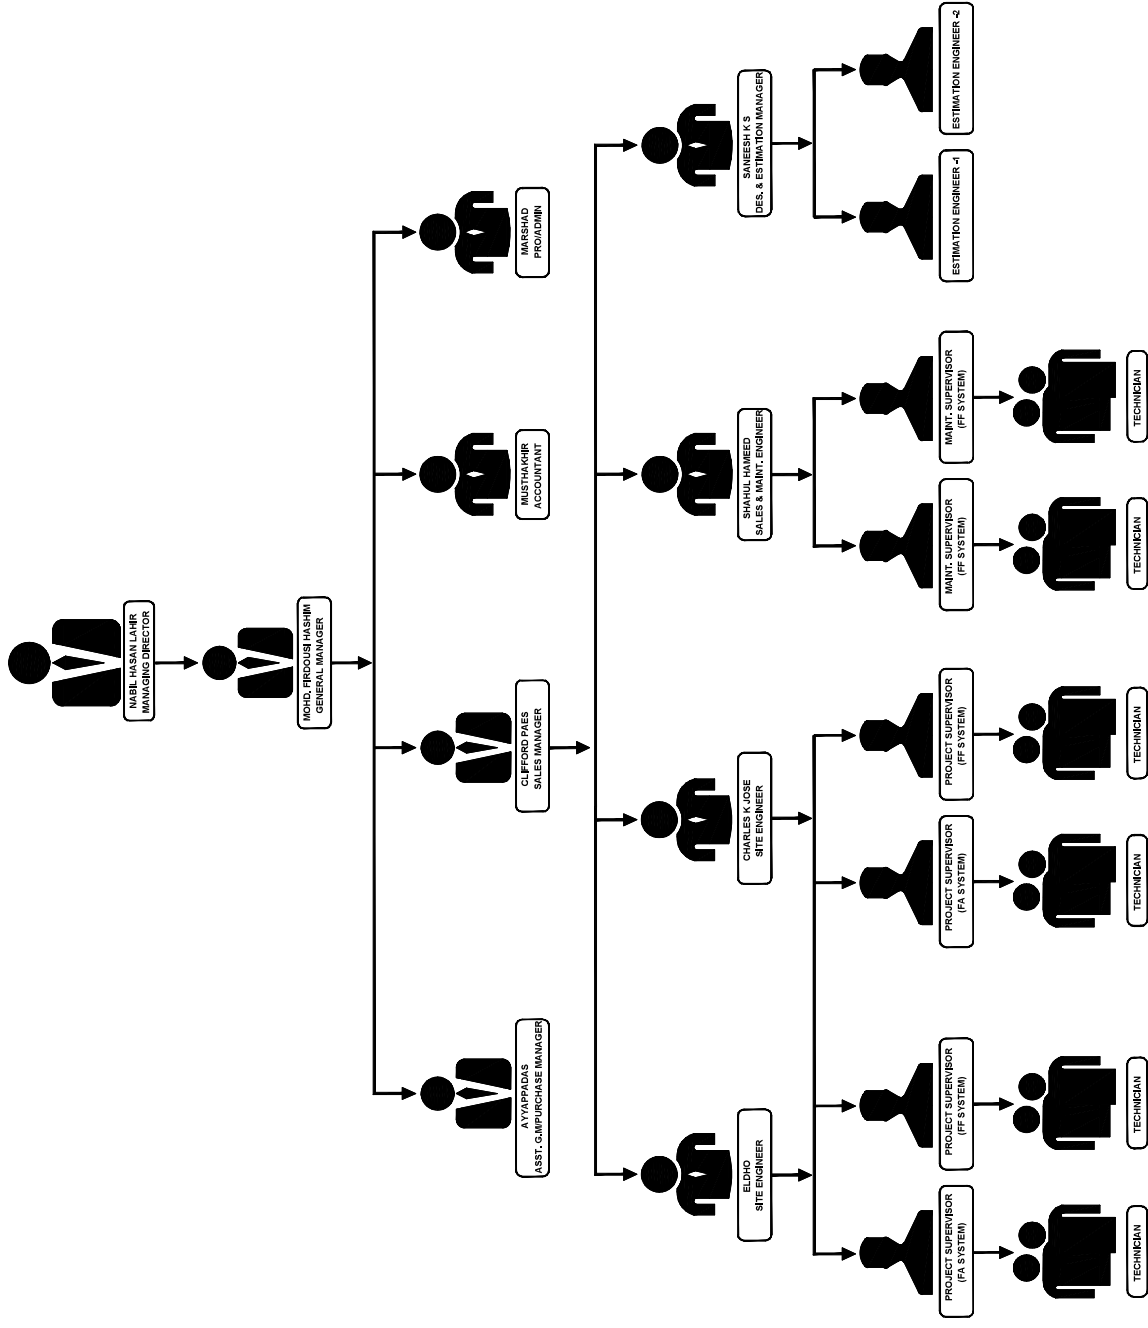

Our first priority when supplying a fire protection system is to familiarize ourselves with the facility type / application and categorize accordingly as per NFPA and Local Civil Defense Standards and follow the applicable codes in making the design analysis for Life & Safety, it will help, serve and protect. Our skill has been proven time and again through the installation of fire protections that include:

- ❖ Automatic sprinklers / Wet Riser / Dry Riser / Fire Pumps Systems.
- ❖ Addressable Heat-detection and smoke alarms systems.
- ❖ Voice evacuation System
- ❖ Central battery and addressable monitoring emergency light systems
- ❖ Fire suppression systems including FM 200, CO2.
- ❖ Foam suppression Systems
- ❖ Pre Action & Deluge Systems
- ❖ Kitchen Hood & Wet chemical Fire suppression systems

After Sales Services:

- ❖ Provide complete Annual Maintenance of Fire protection, Detection, Alarm and Emergency / Exit system for 1 year retention period.
- ❖ Modification and upgrading of Fire protection, Detection, Alarm and Emergency / Exit light system.
- ❖ Annual Maintenance Contract certification (As per UAE Civil Defense regulation and manufacturer guidelines.)
